

COWS CREATE CAREERS PROJECT

CALF FACILITY

SCHOOL

CHECKLIST

School name: _____

School representative name: _____

Identifying a suitable location for the calves

Are there any other farm animals located at the school? YES NO

If yes, please identify a facility where the calves cannot come in contact with any other farm animals and request that the calves be confined to this nominated area. Please ensure that this area has been limed and fresh bedding has been laid in preparation for the arrival of the calves.

Does the facility appear to be a safe/secure place for the calves? YES NO

Describe the infrastructure that the school has? Please take a digital photo of these facilities.

What changes need to be made prior to arrival of the calves, and who is going to action the changes identified?

Action required	Who	When

Is there a suitable storage area for the supplies? YES NO

Following is a list of standard supplies provided by the project. Tick if these have been delivered:

- Milk powder
- Weigh tape
- Calf meal
- Anti-bacterial hand wash (for calf handlers)
- Calf feeders
- Posters – Hygiene & Facility Check and Health Check
(Please ensure that these are on display in the calf housing area)

ITEMS TO ACKNOWLEDGE:

- The dairyfarmer will bring along any leftover milk powder to the school with the calves.
- It is important to provide the Project Manager with at least five days notice if you require more supplies.
- Cows Create Careers encourages all participating schools to follow regulations in regard to animal ethics and stock movement requirements. If you require further information please contact the Project Manager who will direct you to someone who can assist.
- Any problems or concerns about the calves should be reported immediately to both the dairyfarmer and the Project Manager.

Has the Project Manager stepped through this Calf Facility School Checklist and the School Resource Kit? YES NO

Any other notes?

School representative signed: _____ Date: _____
